GARRIBANS

The years sure did pass by quick! Its hard to believe that you are almost on your own now. I just have to accept the fact that I have a "grown" young man for a brother. 😊 Even ^{when} you reach 50, I will still refer to you as "my little brother" (Sorry!) ← just a joke.

I hope that you find in the navy what I found in College. And that is "peace", "a better understanding of life", "a will to do better than average", "courage to accept the things that I can't change", and "thankfulness for health, life and other things". You must also teach yourself to bear the harsh things in life that make you sometimes feel like giving up. Its hard sometimes because you may feel like the world is against you. But remember - it doesn't always rain in one man's garden. And, Sunshine seem to always follow a storm. Be patient, pray whether you need to or not, and things will fall in place.

Keep in touch after you get where you are going, and fill me in on your progress. And when you find that particular young lady that you would like to name as "yours", let me know. I want her to feel just like she's my 2nd sister.

One more thing: a big sister is always big sister. That means that if you ever need anything, just call. I'll be there. I will do all I can for you or Brenda. Good luck in the world. Make your dreams happen!

Be Always Lucky

It has been said that a picture is worth a thousand words. The 1978 Rebel clearly proves this. We've taken millions of words and composed them into one hundred and forty-four pages of pictures. Candid photos that tell the story of our Wade Hampton High School have been put together to capture a real star--YOU! The pictures encased in this yearbook will grow old and the autographs here in will not remain legible forever, but the memories it holds today will stay alive in our minds for the rest of our lives. As for now, enjoy these reminiscences of the year 1978.

CAUGHT IN THE ACT

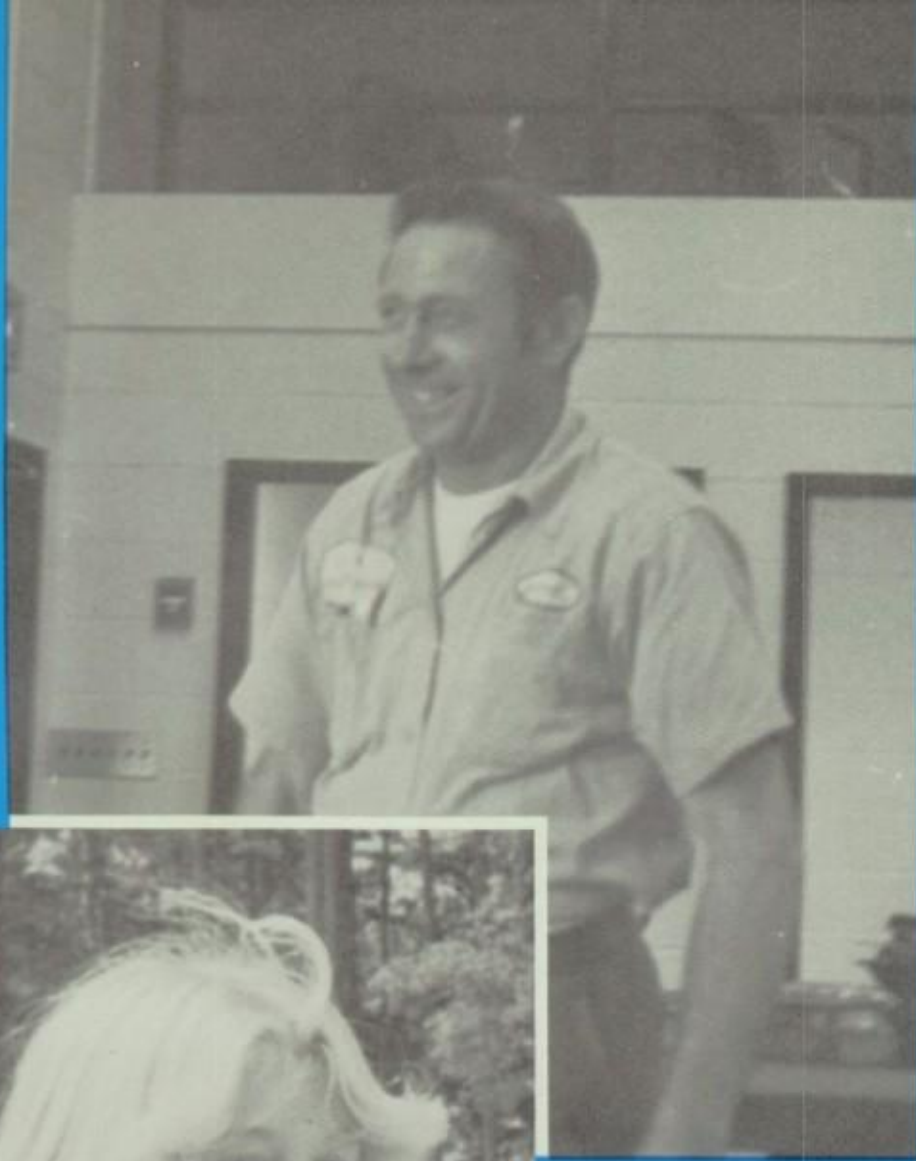

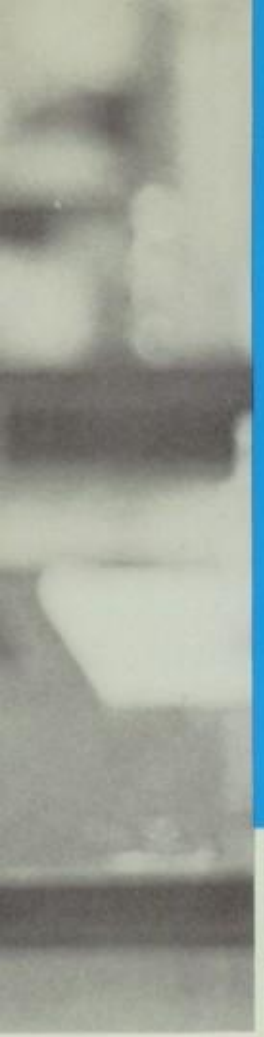

Everyday people at Wade Hampton are "caught in the act" doing such things as going to class, leaving class, skipping, taking a bathroom break every five minutes, studying (your neighbors) test, or seeing Coach Strother in his office after homeroom. Doing all of those everyday events!

SPIRIT WEEK

1. And the race is on!
2. The cheerleaders head the parade.
3. Something in your ear Margaret?
4. Our four beautiful Homecoming Queen candidates.

Spirit Week comes once a year (Homecoming week), and during the week each class tries to "out-spirit" the other.

On Friday there is a Pep Rally where every class has five minutes to "do their thing."

At the Homecoming Game at half time (after an excellent show by the band) the winner of the Spirit Trophy is announced, and this year the winner was the Sophomores.

After the Homecoming Game this year, the Annual Staff and the Student Council sponsored a Homecoming Dance, featuring White Cap. It was a great success, especially with all that home-made pizza and coke!

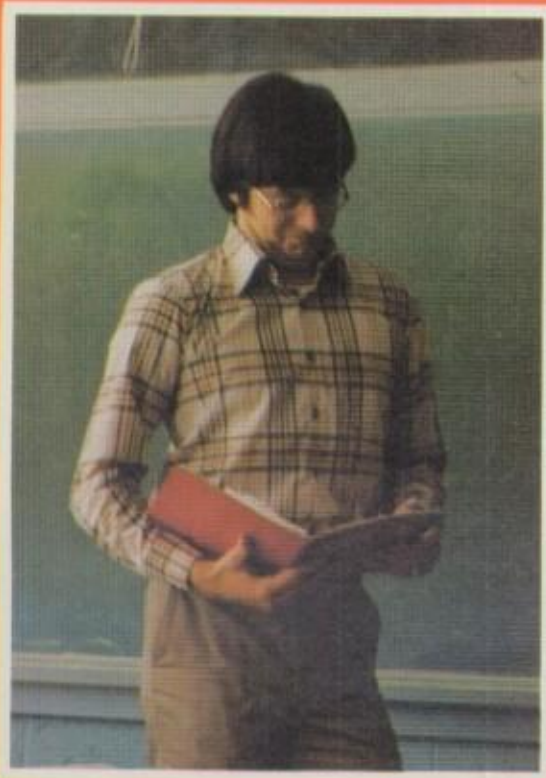

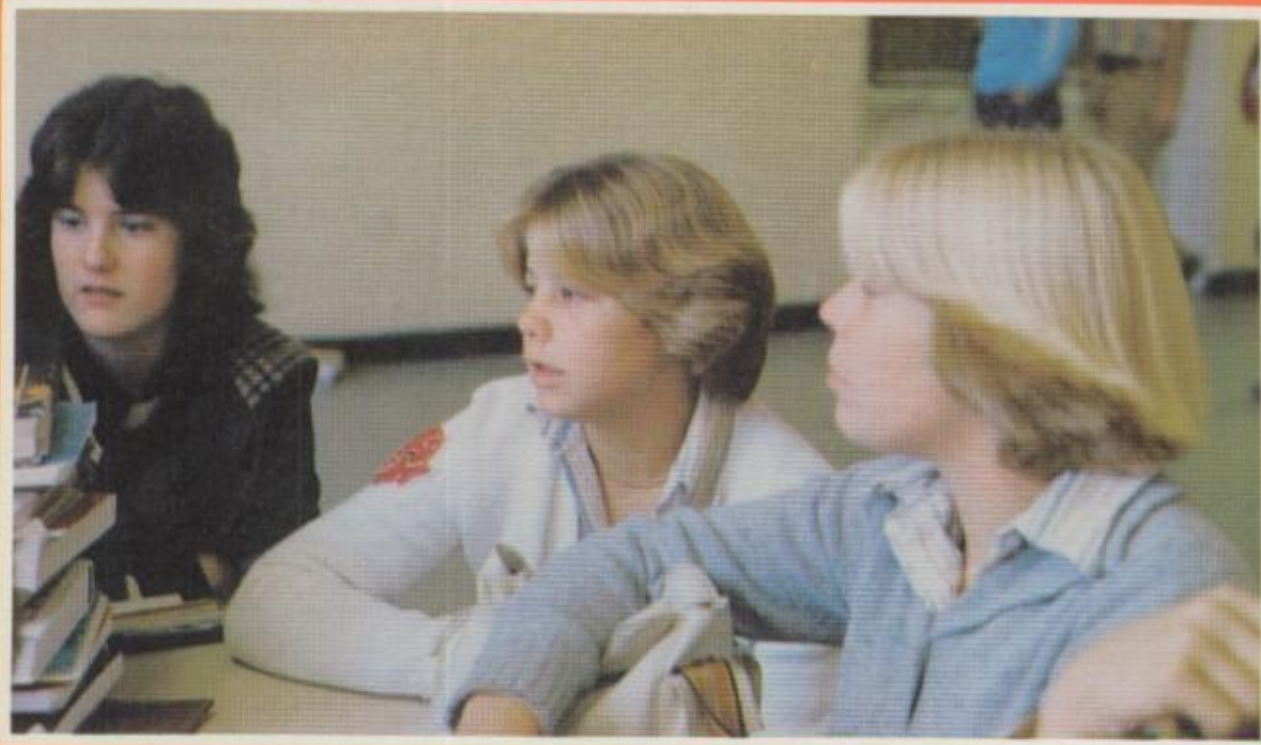

1. Freshmen float wins first prize.
2. Joe and Benjamin lead the Juniors on!
3. Seniors of 78 spirit skit.
4. Sophomore President, Jerry Kramer, accepts Spirit Trophy.

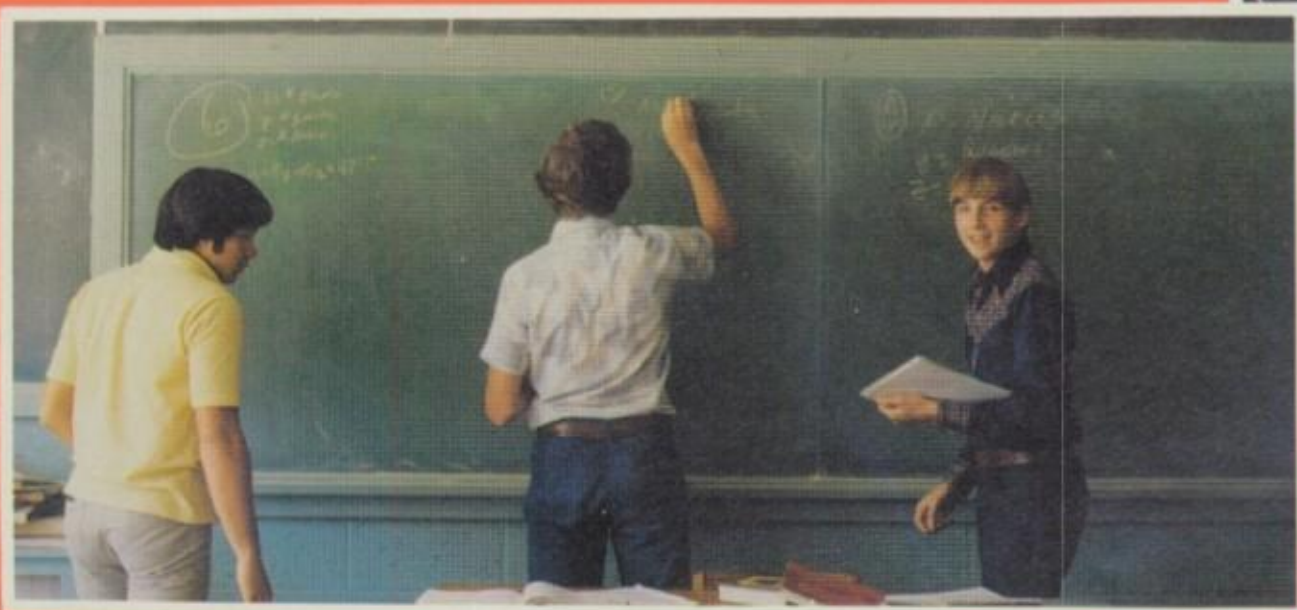

SPIRIT WEEK

A Picture Is

A Thousand Words.

Moods

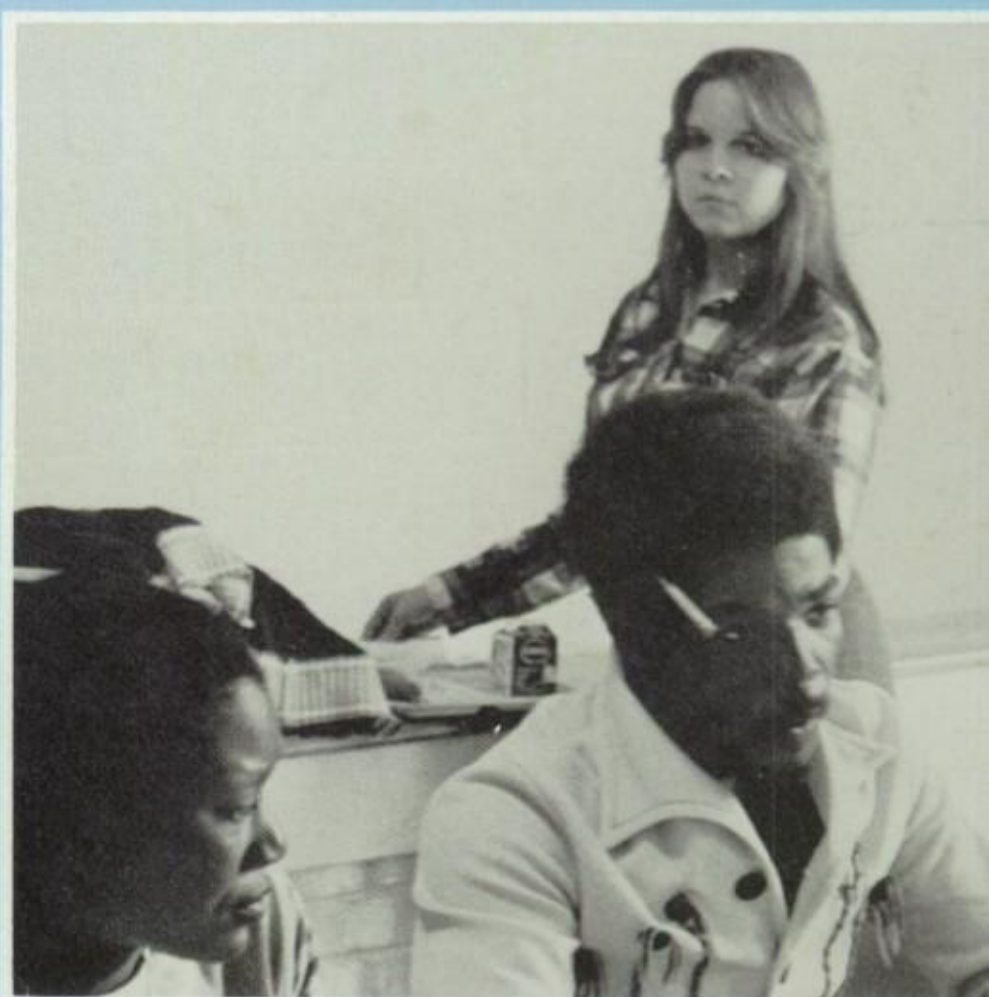

Look around you as you go down the hall. What do you see everywhere you look? Moods.

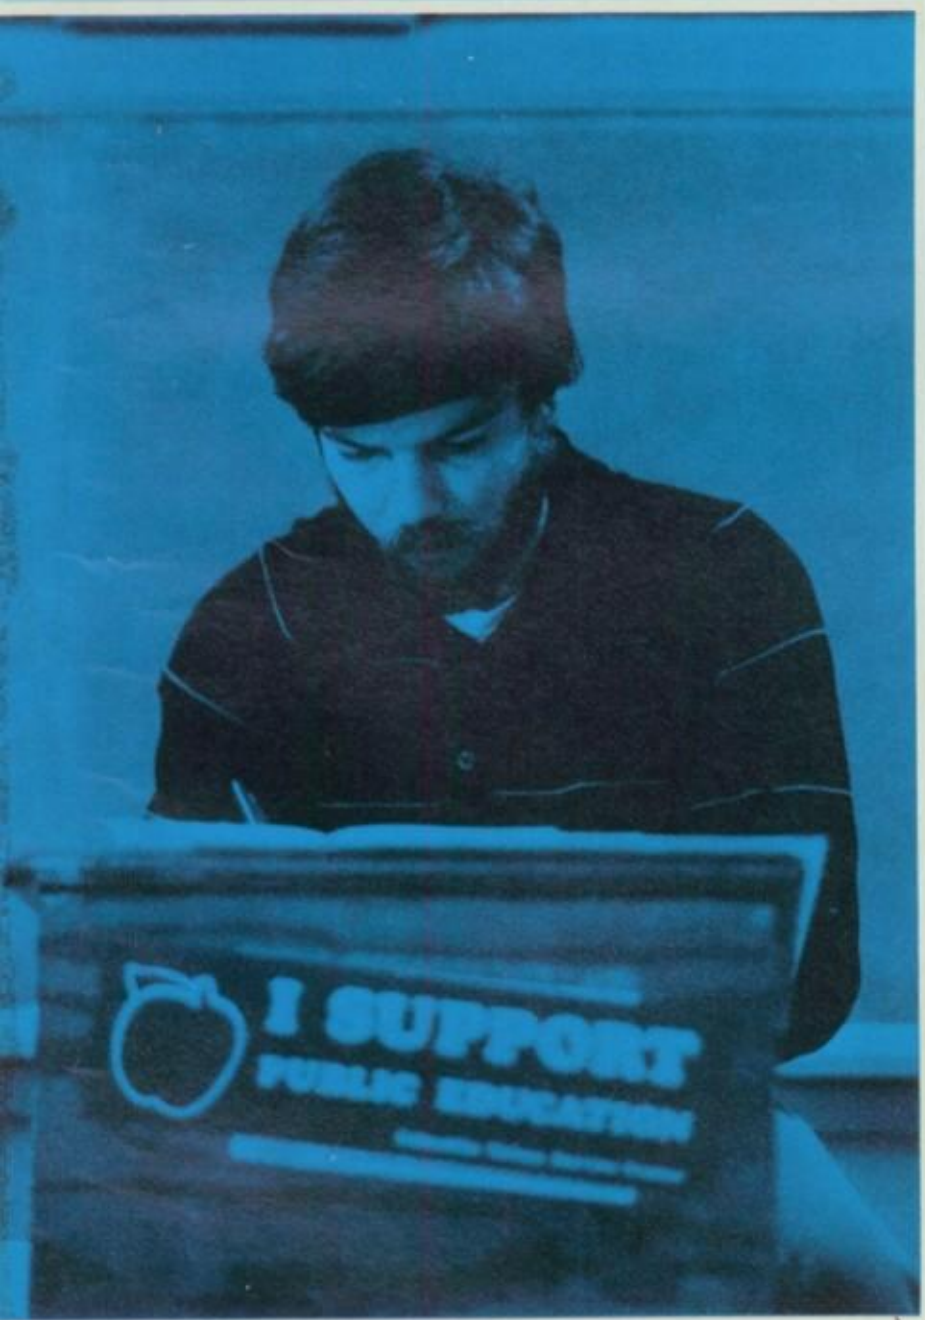

Happy or sad, mad or grouchy, delighted or angry, everyone has a mood, even you!

If you just made a one-hundred on your nine weeks exam, you're bound to be in a good mood.

And if you just met Mr. Strother in his office you just might be in a bad mood.

People bring their moods with them to school everyday, and that's what makes Wade Hampton what it is . . . great!

Without the administrators, Wade Hampton wouldn't be able to maintain high standards in our school. Mr. Talarico, principal, Mr. Strother, assistant principal, set rules to serve as basis for education. Mrs. Still organizes schedules and advises subjects for students. Mrs. Rentz is Vocational Director. She is in charge of the vocational wing, teaches typing, accounting, and office procedures. Mr. Long coordinates all the athletic sports, he is also the Head Football Coach.

1. Mr. Gary Long- Athletic Director
2. Mrs. Betty Rentz- Vocational Director
3. Mrs. Betty Still- Curriculum Advisor
4. Mr. Phillip Strother- Assistant Principal
5. Mr. Anthony G. Talarico- Principal

3. Mrs. Daisy Lawton-

4. Mrs. Maxie Lee Harper-

A friend is a person who can be relied upon to help another person. This is what counselors are-friends. They advise and recommend solutions for individuals. Their job is a necessity at Wade Hampton because you need friends to be able to reach your goals. Even though their work is taken for granted, secretaries do many things. Mrs. Long, Mrs. Harper, and Mrs. Gordan work and do their jobs well.

Librarians and Aides

1. Left to right- Nell Frazier, Math aide, Delphine Johnson, Math aide, Doris Fennell, Study Hall aide.

Not Pictured- Sadie Moore, Audio Visual aide.

2. Ms. Helen White, Assistant Librarian.

3. Mrs. Elizabeth Tuten, Librarian.

"Learning is an experience," as someone once said, and librarians and their aides help to make this experience easier. With Mrs. Tuten's bright smile and great knowledge, along with the aides teaching and immeasurable patience, we learn more and more.

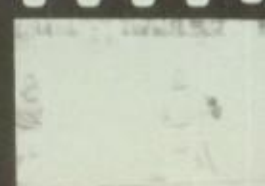

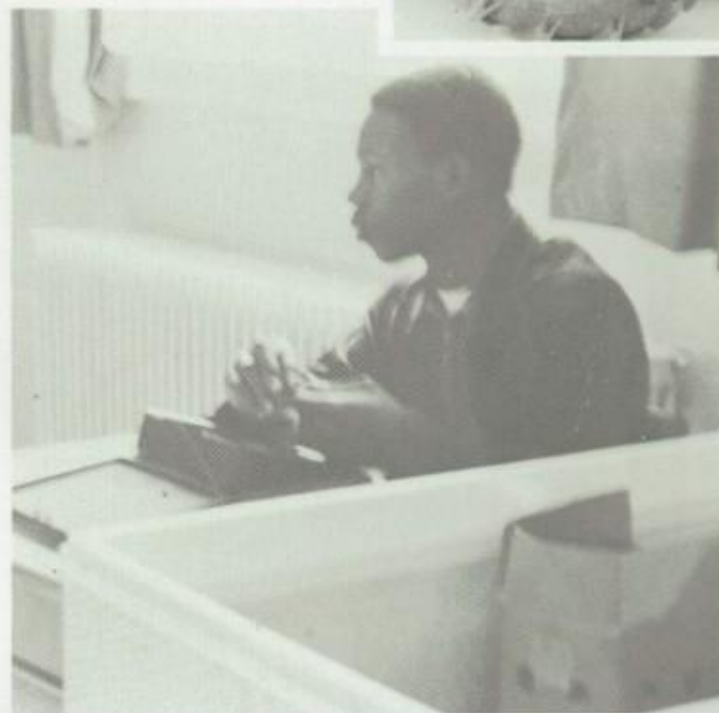

Preparing meals isn't easy, especially when you're doing it for a little over 700 people. Five ladies cook many hot meals from September to May. Much credit is owed to these ladies.

Ida Williams, Evelyn Hadwin, Sandra Edwards, NOT PICTURED-Marie Tuten, Elise Edwards-supervisor.

For this department, the 2:25 bell doesn't mean dismissal. Their work is just beginning. Fixing odds and ends, sweeping, washing, and dumping garbage is only a few of their daily duties. Pushing a broom around all day can be very tiring, but these people do it every day to help keep our school clean and neat. We should be grateful to them.

Charles Doctor and Steve McAlhaney.

The new year always brings activities such as the Edisto Conference, All State Band, Eastern Region Band, and the spring concert. The band is completed with a 14 piece color guard, three majorettes, and a drum major. The color guards are under the direction of Dan Harley. This year the Future Teachers of America was engaged in really wild activities. For initiation they had to dress up in their father's suit and sneakers. That night they really went berserk! They had to run up and down the corridor and drink raw eggs and coke. They were blind-folded and placed their hands in flour and water. To top it off, they were annointed with cod-liver oil.

WH FOOTBALL

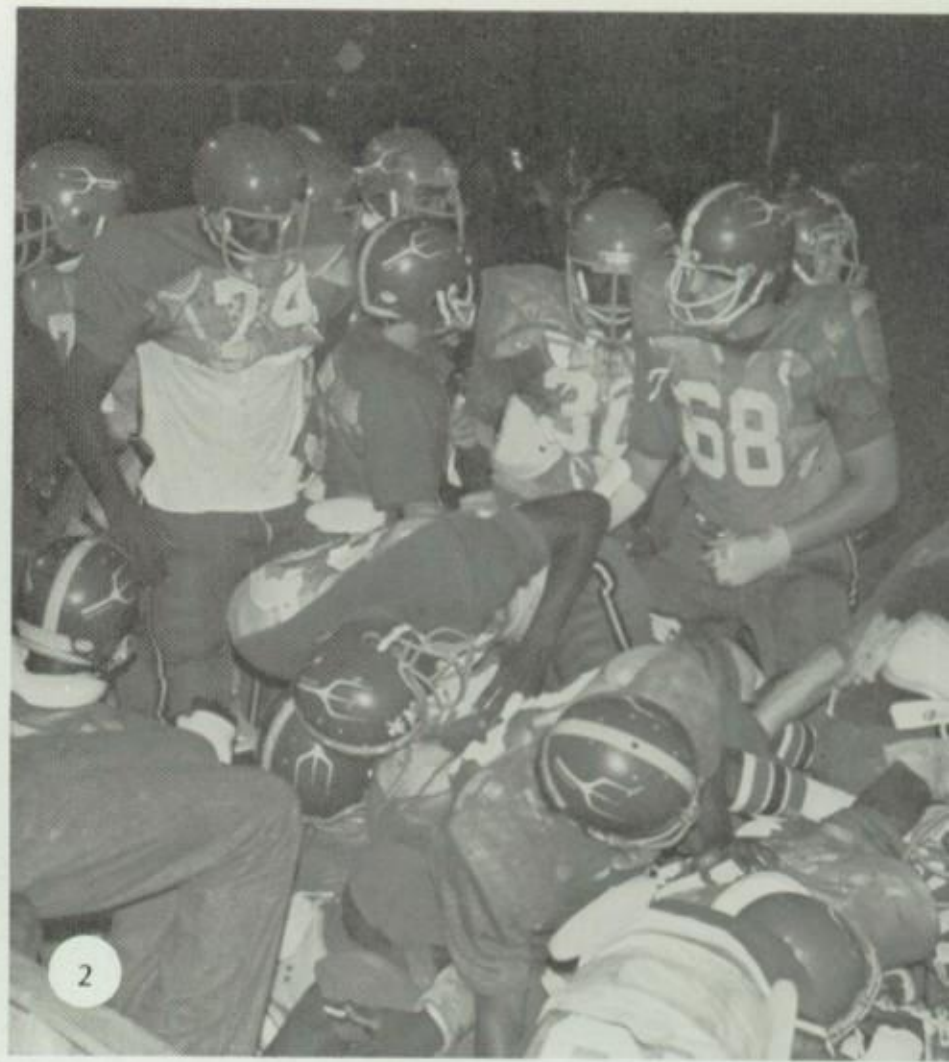

The 1977 Red Devils have demonstrated their abilities on the football field in a superior manner. These young men are a testament to the adage "Those that believe they can succeed, will succeed." Setting the conference championships as their goal, they met each opponent with confidence and gave their best effort each time out. It is to their credit that they performed as a team and will remain a team in everyone's memory for many years. At press time the team had achieved the conference 7-AA championship and were beginning in the first round of the State Playoffs.

The Wade Hampton Boy's Basketball Team have the potential to be a very explosive ball club. We have eleven ball players back and four newcomers. Conference 7AA will be as strong this year as in the past, but we believe we are an improved ball club with a good chance to make the state play-offs.

Varsity Girls at Wade Hampton started the season off with a triumphant defeat over the Battery Creek Dolphins. The "Devil Device" continued in the style of winning over West Hardeeville and accepting gracefully those loses to Bowman and Estill. To show their quality of good sportsmanship, when asked what she thought the outlook for the varsity Girls was, Coach Mantooth said that the outlook is good for the Wade Hampton girls basketball team. We've got depth and ample leadership with 5 seniors. "These girls have been playing together for a couple of years now and they have now begun to learn each others moods and moves." Adjusting to new plays and a new coach are the only problems faced and once settled, nothing will be able to stop them! With Coach Mantooth calling the plays, the basketball girls uses their own individual efforts and abilities to make a great team. With hard work and determination, the girls have learned the qualities of a good basketball program.

JV BOYS BASKETBALL

The Wade Hampton JV season opened on December 5. They started the season off with a winning victory over Blackville, the winning score was 48-31. Going to state 3 years in a row is a great achievement for the track team, and they were third in the state. The track team has broken all records except the pole vault, shot put, and the disc. The most exciting incident was when the track team was in the Conference Championship and they won the trophy.

1977 Track members are: Mack McKenzie, Ronnie Renolds, Arthur Smith, Dana Gibson, Glen Galloway, Bernard Henderson, Lee Sanders, Roger Harris, Emmett Allen, Skip Dunbar, Kenneth Lee, Bobby Givens, Morris Roberts, Randy White, Bobby Harris, Earl Robinson, Frankie Rivers, Lester Ruth, Alvin Riley, Jan Lee Moore, Charles Doctor.

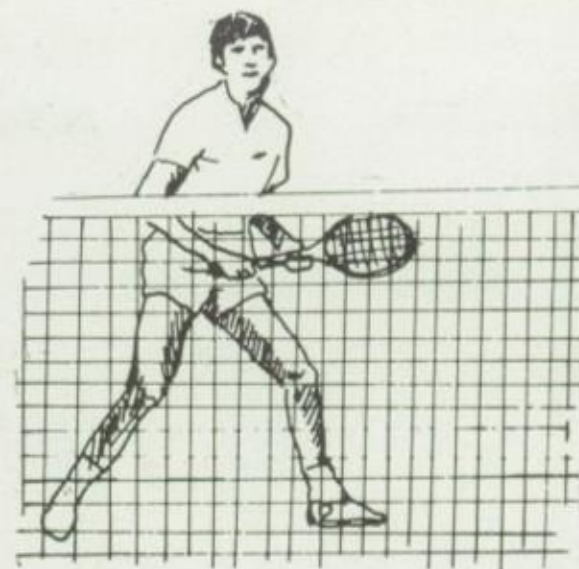

1977 Wade Hampton Baseball team finished the regular season with 9 wins against 6 losses. They then advanced to State playoffs as Conference 7-AA runnerup and were eliminated in the 2nd game of the playoffs by Mid Carolina but they gained valuable experience in having the opportunity to compete. The team was young with mostly sophomores, 2 juniors and 4 seniors. The experience gained through the playoffs as well as an additional year should mold the 78 team into a championship club.

Wade Hampton boys went from school to the courts each afternoon for 2 hours of practice. This was WH's first year of having a tennis team. They had a lot of experience to gain and were competing against Allendale-Fairfax, Bamberg-Erhart, Estill, Walterboro, and Beaufort High Schools. The boys gained their experience and improved their games. Competition for the conference tournament was individual and the Wade Hampton boys played well going to the quarter-and-semi finals in 3 positions.

GOLF

OUR ADVISOR

This year annual staff was faced with two major problems. One was a debt of over a thousand dollars. This money had to be raised along with the cost of this years annual which was over five thousand dollars. The other problem was an inexperienced staff. The burden of this problem falls heavy on the advisor. She is a very special person to staff. Mrs. Donna Conard by worrying, pushing, and, most of all, being their every time we needed her has made this years staff one of the best. To Mrs. Donna Conard from staff: Thanks for all the help, fun, and understanding you have provided.

GIRLS STATE

Beth Benson, Gaye Harper

From the '77 Junior class, the American Legion Auxiliary 108 in Hampton chooses two junior girls and three junior boys from Wade Hampton. The people chosen attend a one week government session during the summer at Columbia to learn about our government. The two junior girls chosen last year were Beth Benson and Gaye Harper. The boys were Neil Ulmer, Billy Larisey, and Lee Ellis. Scholars who receive honors from various colleges are the top two boys and two girls of the graduating class. This year the recipients are: Cassandra Youmans-Furman and Presbyterian College Scholar; Neil Ulmer- Furman, Wofford, and Presbyterian College Scholar; Beth Benson- Furman, Wofford, Newberry, and Presbyterian College Scholar.

SCHOLARS

Rufus Hamilton, Cassandra Youmans, Beth Benson, Neil Ulmer.

Throughout this year's annual we've tried to catch Wade Hampton the way it really is. We've tried to make it a book of pictures of you. After all, you are the star of our book. You are the people we "caught in the act." You are the people who make Wade Hampton what it is. So, essentially, this year's annual has caught our school the WAY IT REALLY IS!

Emmett -

Man it has been a pleasure
knowing you through this
past year. Always remember
you and your crazy jokes - (smile)
even though some made sense.
Remember all the fun we had in
chorus and in the halls. Stay
cool and people will remember you
always that way.

To an 'industrious Brother-in-law

This brief note is to wish you the best of luck in the near future in what ever your endeavors may be. Just continually to be yourself and keep your strong mind. A key to anyone's future is to have a strong mind. With a strong mind, one's determination gains weight instead of losing self-confidence. It is you who must make the best of your future, so use your own judgment in determining what is right or wrong. Therefore, whatever you accomplish will be a success. Again, I wish you the most successful of all successes and may God be with you.

In all sincerity,
